

PADARTH 2017

Junkyard Wars Problem Statement

Introduction:

Junkyard Wars is an innovation based competition. The exercise will contribute in making participants go through minor as well as major issues caused by trash and enhance their thinking skills and creativity.

Objective:

You have to present your final products which should be made from waste materials of any kind. Your final product can be anything useful made from your understanding, inspiration, ideas and creativity.

You are free to think like an unconventional thinker and come up with great innovations. So, do not limit yourselves to anything. Your product can be useful in any means and you should be able to explain its uses.

Eligibility:

All students with a valid identity card of their respective colleges are eligible to participate.

Team specification:

- ❖ Each team may consist of maximum 4 participants
- ❖ Members of a team may be either from school or college
- ❖ Members of a team may be from same school/college or different
- ❖ Any number of teams can participate from a school/college provided their final product is different.

General Guidelines:

- ❖ Each team will be asked to present their products in front of judges
- ❖ A team member can't be a part of more than one team in the given competition
- ❖ Bring your college/student I-Card at the time of competition
- ❖ Each team should register online on our website for the competition
- ❖ Padarth has all the rights to verify the identity and accuracy of the details provided by the participants
- ❖ Padarth, IIT Bombay will not be held responsible for any late, lost or misdirected entries
- ❖ Note that at any point of time the latest information will be that which is on the website. However, registered participants will be informed through mail about any changes on the website

PADARTH
2016-17

Rules for the Competition:

- ❖ There is no limit on size, shape, weight and material type of the product
- ❖ Only assembled product should be brought here
- ❖ No extra time from competition will be given to assemble the product.
- ❖ Teams will be asked to demonstrate their assembled product in front of judges
- ❖ Any specific requirements such as power supply/ WiFi should be informed to us by 25th February 2017 5.00 PM by mailing requirements at pooja@padarth.org. Make sure mail includes group leader's name, products name and group id (if given)
- ❖ No materials will be provided by us except power supply/ WiFi. (Teams will have to bring cells, batteries, laptops on their own if required in product)
- ❖ If you are using cells/batteries, note that charging facilities will not be provided

Judging Criteria:

- ❖ Teams will be judged on the basis of usefulness of the product and % of waste and fresh materials used
- ❖ Products will be also judged on the basis of its cost effectiveness
- ❖ Teams will also be judged based on demonstration. Judges will cross-question during demonstration
- ❖ Judges reserve the right to disqualify any art work if the majority of materials used are not waste material
- ❖ The decision of the judges shall be treated as final and binding on all.
- ❖ In case of any dispute, decision of the organizers of the event shall be final and Conclusive

Certificate of participation:

- ❖ The Participation Certificate will be awarded to all the teams presenting their products successfully
- ❖ Winning Team will be awarded with the Prize

Important:

- ❖ Last date of submission of completed form is 7th February, 2017 11.59 pm.
